We're on Facebook as 'Harris Crossing'. You'll receive the most up-to-date information here. Feel free to communicate with your neighbors on Facebook and even post things for sale!

We have a new Website

It's been awhile since our website has received a face lift! 2017 brought with it a new website. Check us out at harriscrossing46530.org and let us know if you have any suggestions to what you might want to see on the website.

2017 Dues

120 families have paid their 2017 dues. Thank you to all those who have paid on time, it makes our job a breeze! We'll have second notices going out in April to those that are still outstanding.

Neighborhood Watch

We believe we live in one of the best neighborhoods in the area. We have the friendliest neighbors in Harris Crossing! However, there are times where you might need to notify the HOA of an individual or individuals that might not belong on our streets. Please let us know, or if it's an emergency, please call the St. Joseph County police. Let's keep each other safe! Keep an eye on your neighbor's house and they'll keep an eye on yours!

Your HOA

We are hard at work making Harris Crossing a neighborhood you love to live in! We have a wonderful volunteer board keeping your annual dues down and making sure you get the information you need in a timely fashion. We are currently working on getting a resident directory together. Help us gather directory information by filling out a quick survey, click [here](#). Please reach out to us if you have any questions, concerns, or comments. We are here to serve you!
